#### Optional items

Specified optional items permitted include brand name, colour, vine variety, vintage. Further details are permitted, providing they are not liable to cause confusion

Note – bilateral agreements between the EU and Australia, South Africa and Switzerland permit variations in the Compulsory Particulars displayed.

**Always check with your Regional Wine Standards Board Inspector.  
This information is provided as a guide and is not definitive.**

**Non E U Compulsory label details**

Check briefing notes for optional information including permitted vine varieties.

**Compulsory Particulars must be shown as in the examples above**  
 These should be grouped in the same visual field ..... and clearly distinguishable from all other (written and graphic) content of the labelling. This can be achieved for example by the use of a line or a border surround or different background colouring or separate label to differentiate the Compulsory Particulars from any optional information.
